Our Educator, O Children, resembles His Father, God, whose Son He is. He is without sin, without blame, without passion of soul, God immaculate in form of man, accomplishing His Father's will. He is God, the Word . . . He it is who is the spotless image. We must try, then, to resemble him in spirit as far as we are able.

## dedication

We come from God; and we must return to him, in order to enjoy a life of perfect and eternal happiness, for such is the supernatural end assigned each of us. But while we must remain here on earth, we are committed to the care of a most beloved Apostle, a shepherd of souls, the most reverend Archbishop Edward F. Hoban.

What can be more appropriate to express our love and gratitude than for us "Vikings" warriors of Christ, to dedicate this Yearbook, a record of our deeds and accomplishments, to this Good Shepherd and Our Father.

You dear Father, through the example of your own humble life, have shown us the way to be courageous and fearless in the service of God, thus advancing in perfection and becoming capable of doing great things, all for His honor and glory. As Archbishop Roberts of England expresses it, "We Catholics, Christians of today, must challenge current ideas, scandalize friends—it is but the price for efficaciously reestablishing the reign of Jesus Christ."

Although we can never be able to thank you enough for your inestimable assistance in molding our characters to be good Christian citizens, sons of Mary, and Imitators of Christ, we pray God will continue to bless you with the fullness of grace. "Love serves—and is best shown in deeds, not words."

THE MOST REVEREND  
EDWARD F. HOBAN, S.T.D., Ph.D., LL.D.

## Facilities To Unearth And Nurture Latent Talent

St. Joseph High has always insisted, since its founding five years ago, on one basic principle, "To Jesus through Mary." This may well be considered the philosophy of our school.

Our one goal in life is God and everlasting life with him in heaven; this can be most easily attained through Mary, His and our Mother to whom God denies nothing which she asks in our behalf.

Since God is our ultimate goal in life, everything must be directed towards Him and must serve as a means to this End. Education being the "main highway" on which we must "travel" to attain our goal, it should certainly be guided by a stable and firmly founded philosophy. Certainly no philosophy could ever be found which is more simple, more beautiful, and more inclusive than the words, "to Jesus through Mary."

In the "hot" corner of the Radio and Electricity Laboratory, "Whitney" Gustinec talks over the walkie-talkie to Jack Comella at station W8KIZ.

If we make use of the tools of truth God has given us, we will not find it too difficult to obey His will . . . "Give Me Christian men to bear My cross, give Me Christian lovers, to save my dying, give Me Christian fathers to head My families, give Me Christian teachers and brothers to instruct My youth, give Me priests, to distribute My body and blood, and I will give thee Myself."

Prosecutor Lloyd Lightner points an accusing finger at defendant Tom Smith, as "Judge" Jack Cregan scans through a lawbook for an answer to this knotty question. Future lawyers and jurists were given a chance to participate in mock trials in Senior Civics classes.

The poet Browning's words that the best of life is the last of life - for which the first was made," are fully realized by two Brothers of Mary living in retirement at St. Joseph's. Brother Thomas Jones, who in retrospect can view the vista of sixty-two years on the road of God's service; and Brother Frank Kreipl, who for half a century has been busy about his Father's business.

Men of God for the span of the average life, they knew even as boys that the "best was yet to be" when they consecrated their lives, the bud of promise, the blossom, and the fruit to God through the hands of His Mother. They renounced the riches of earth to amass wealth for heaven; they sacrificed the love of one woman and a family in order to share, to cultivate, and to inspire thousands of boys of all ages with their own love for Christ and their Blessed Mother; they surrendered, above all, their own

were to be more certain that they would always be doing the will of God; and they took a vow special to the Society of Mary. They irreversibly wedded themselves to the noble vocation of assisting the Mother of God in gathering her children home.

For over half a century these women sisters of Mary's - different in ancestry, background and character have been the humble and obscure instruments God has used for molding Christian men. They have stretched out their hands to thousands and led them to God; they have cast the pearls of truth into the waters, creating everwidening circles gently nudging souls to the shores of God.

## Jesus And Mary One Hundred and Twelve Years

**Taken at the Jubilee Breakfast.** Many years of deep devotion to Mary were given tribute on December 7 in the school auditorium. Jubilarians were, in the order of their service, Bro. T. Jones, 62 years, Bro. F. Kreipl, 50 years; Bro. Louis Furtner, Bro. Jos. Becker, Fr. Jos. McLoey and Fr. Wiesner, 25 years.

**Brother Thomas Jones, S.M.**

**The Most Reverend  
Floyd L. Begin, S.T.D., Ph.D., J.C.D.  
Auxiliary Bishop of Cleveland**

His Excellency, Bishop Begin, is one of the auxiliary bishops of this diocese. His honorary title is that of Bishop of Sals. He was ordained a priest on July 13, 1927 and consecrated bishop on May 1, 1947. Saint Agnes Church in Cleveland is the Bishop's place of residence, while he works at the Chancery Building downtown. There he has a position as one of the Vicars General and the director of the diocesan Eucharist Congress. The Archbishop's Catholic Action occupies much of his time except for that spent every year traveling through the diocese confirming young people.

**Our Auxiliary  
Bishops**

**The Most Reverend  
John J. Krol, S.T.D., J.C.D.  
Auxiliary Bishop of Cleveland**

Bishop Krol is Cleveland's Junior Auxiliary Bishop. Here he holds the titles of Vicar General, and Promoter Justitiae. He heads the Diocesan Council of Administration and is on the boards of Priestly Activities and Catholic Action.

John Joseph Krol was born on Oct. 26, 1910 in Cleveland. He was ordained on Feb. 20, 1937 and in 1942 received his doctorate in canon law from the Catholic University of America.

Soon he was made chancellor and was occupied with the Diocesan Administration.

On July 15, 1953, Pope Pius XII named Msgr. Krol titular bishop of Cadi, Asia Minor and auxiliary to Archbishop Hoban. On Sept. 2, he was consecrated in St. John's Cathedral.

The Church is a mother, whose prime interest is the spiritual perfection of her children, however she guards as well their temporal welfare. Guided by the "Intellect of intellects" the Church is the leader; through Her and Her alone can we receive a complete picture of life; for She takes into account body and soul, time and eternity.

## Our Superintendent

**Right Reverend Monsignor  
Clarence E. Elwell, Ph.D.  
Superintendent of Schools**

Monsignor Clarence E. Elwell Ph. D. the Diocesan Superintendent of schools, a native Clevelander, was ordained on March 17, 1929. In 1933 he was made assistant Superintendent of Schools and activities of Sisters' College.

In 1936 he attended Harvard University and in August 1938 was made director of High Schools and academies in Cleveland. In December he was appointed superintendent over the diocesan school system.

He is the author of "Catholic Religious Education in France" and an editor of "Our Quest for Happiness" the high school religion book series.

Monsignor Elwell has set an example of excellence in administration and our schools may look with pride to his fine record as a leader in the cause of Christian education.

A man of the world can do much in twenty-five years. He can gain wealth and prestige, as well as a sense of accomplishment. If such a length of time produces an abundance of earthly rewards, think of the heavenly awards awaiting those who deserve them. Think of a man of God, dedicated to his task and thorough in his efforts to attain sanctity for himself and those around him.

Such a man is in our midst. He is our beloved principal, Fr. Louis J. Wiesner, priest, leader and friend. To praise Father is easy, for his life is a psalm of tribute of the holy life and its effects on those near.

Celebrating his Silver Jubilee this year, Fr. Wiesner has served Mary for twenty-five years by carrying on the work of Her Divine Son. This task, of molding characters and instilling Catholic principles into the minds and hearts of his students, and guiding them through the narrow straits of life to eternal reward is ably handled by Father Wiesner with great ability, acquired through many experiences and knowledge of the tempests of life.

The faculty and student body wish to express their appreciation for the many things Father Wiesner has accomplished during the last few years. And likewise they express their wishes that he may enjoy many more blessed and fruitful years dedicated to the Mother of our Creator to whom he has devoted his life.

**Renewal of sacred vows by Fr. Wiesner** Poverty, chastity, obedience, and a lifetime of filial piety to the Queen of the Universe were renewed on this memorable day by Fr. Louis J. Wiesner S.M. In the presence of His Excellency Bishop Krol and the student body, Fr. Wiesner renewed his consecration to the Mother of Men.

## Principal

**Rev. Louis J. Wiesner, S.M.**

# Our Assistant Principal

For the past five years, Brother Louis Weber, S.M. has maintained the twofold position of Assistant Principal and head of the Art Department.

As Assistant Principal, Brother Weber has shown himself to be indispensable to the efficient management of the school. To Brother, we owe the effectual operation of such matters as the planning and arranging of courses and the precise execution of disciplinary measures.

Brother Weber deserves acclaim for his outstanding work as head of the art department. The recent display of the Stations of the Cross in the cafeteria and the excellent illustrations found in the first two editions of *The Carpenter* are products of his teaching.

Chaplain

# Our Chaplain

Before coming to St. Joseph's in September, 1954, Father Carlen, a native of Detroit, was for 6 years Superintendent of St. John's Home for Boys in Long Island. Father Carlen entered the Society of Mary in 1926 and after receiving his B.A. in Education from Dayton University in 1930 taught at Chaminade High School for 4 years. In 1934, he entered the seminary. Since his ordination Father Carlen has taught at Cathedral Latin High School, North Catholic High School in Pittsburgh, again at Chaminade and conducted a Catholic Labor School in Pittsburgh. He received his Master of Arts degree in 1945 and Doctor of Philosophy in sociology in 1951, both from Pittsburgh University. Father Carlen now teaches English, Religion, and Sociology at St. Joseph.

# Our Treasurer

One of the friendliest persons in our school is St. Joseph, is our Treasurer, Brother Herman Thaner.

Brother Herman has been treasurer since his first year at St. Joseph. He has proven himself to be a very capable treasurer of the Boys Club.

Brother Herman for the last three years has dedicated his time to the Marian Way has diligently served the faculty and students of St. Joseph. With his experience and his jovial disposition Brother Herman can iron out even the unsurmountable financial problems of the boy.

We at St. Joseph have been very well blessed and pleased with the faithful service that Brother Herman has rendered us.

# Our Guidance Director

This is Father Eldon Reichert S.M. He came to Cleveland in 1953 and was appointed to the Guidance Department in 1954. We, the Seniors of the graduating class of "55" cannot begin to express our thanks for all that he has done in guiding us to the unknown paths of life. Not only has he prudently advised us in our individual vocations, but has moderated the school Sociality and invited lecturers and speakers for the benefit of the student body. performed the duty of sports chaplain, g. too, he has encouraged scholarships, and continues the work of the previous guidance director, Father Kohmes. And to all this we, the Seniors, say "thank you" always hoping that we will have such a guide as you, Father, in life.

**Seniors**

**Class of "55"**

While this year's Senior class does not have a strict claim to the title of pioneers or founders, they can without reservation be called builders. For four years now that has been the job of this graduating class of 1955. This class may truly say, "We entered a school building and are graduating from a school."

Because this class has worked hard together to establish a tradition and has fought hard to build prestige, it is now proud owner of a strong "Esprit de Corps". Other by products of this common bond of work and effort are a spirit of generosity, kindness and friendship. This graduating class of 217 men is a cross section of many diversified talents. When put to work they hold the possibility of an enormous amount of good.

The Senior class is very proud of their school. What it is at the present time and what it will be in the future means a great deal to them. But at the same time, they hope that the school is proud of them on their graduation day for what they have tried to do in the past four years. They also hope the school will be proud of them for many years to come.

Charles Wolfram, President; Robert Mast, Vice-President; Jerry Herblson, Treasurer;  
Joseph Yanch, Secretary

## Senior Class Officers

In the fall of 1953, the student body witnessed one of the most dramatic school campaigns that it had ever seen. On Thursday, October 2nd, the entire student body gathered in the gymnasium to witness the election of the Senior Class Officers. In this contest, there were ten candidates for each office. The president was elected by a landslide, the president-elect was Charles Wolfram. Vice-president was Robert Mast. Secretary Joe Yanch of LA, treasurer Jerry Herblson. Sen.

The officers immediately assumed their respective offices. The other eight candidates for office were incorporated into a cabinet which proposed and discussed prospective activities for the year. This group met frequently with the Senior Class Officers during the year. To facilitate student government, this group served as representatives to their various homerooms. It was the duty of the Senior Class Officers and Cabinet to act as representatives from the student body to the faculty, the trustees, and the principal.

The crowning glory of the activities of the Senior Class Officers was the Senior Prom held on Saturday evening, May 13. For weeks preceding that night the committee planned and worked. Two trees, live trees, awnings, and crepe paper. The result was one of the most beautiful prom settings that the students of St. Joseph have produced. This and other activities will always be remembered.

**1937-1954**

## **Daniel Joseph Hogan, Jr.**

Dan Hogan, the pride of Saint Joseph's, was known to many of the students as a result of many of his fine athletic achievements. To those with whom he shared classes he was known to be an outstanding scholar as well.

Yes, Dan was a fine lad. Lad, did I say? Well, yes, in years that he was, a lad, but spiritually he was very mature. He realized the generosity of God and the beauty of His Kingdom. It was in regard to this that he, in one of his last essays, quoted from Genesis those beautiful and very meaningful words, "And the Lord God had planted a paradise from the beginning." From these words we see that Dan realized and appreciated that which many do not understand until they reach old age or unfortunately never do, that being the beauty of God's creation. His love of God and God's beauty freed him from all fear of death he knew was coming.

As long as we recall Dan Hogan and like him, remain strong and good in character and mind, we too will have nothing to fear and will also be a credit to St. Joseph High School.

Dick Dodson and Dick Zitnansky finish up one of the paintings for the Christmas Exhibit in the school cafeteria as Dick Iannarino and Tom Kearnes critically eye their work. A collection of eleven such paintings with the Birth of Christ as their theme was displayed for several weeks during the Christmas season.

# Entertainers, Artists, Retreatants, And Enthusiasts

Norm Novak leads his band "The Dean's Men," in a hot number. Norm, a Senior, and his aggregation entertained the guests at the Bowling Dinner.

Fr. Wiener gives final Benediction in the auditorium to the Juniors and Seniors who were present for the second annual Junior-Senior retreat given at St. Joseph.

The big game—the big rally! Spirit runs high as the student body gathers to pay tribute to their team and to rally them to victory.

Fr. Chas. Lees, retreatmaster for the Junior-Senior retreat leads the retreatants in the singing of Benediction hymns during the closing exercises.

The ever growing St. Joseph band prepares to lead the school in the "Viking Fight Song," arranged and conducted by our band director Mr. Pace.

Senior Art Students display painting for the second Cafeteria Exhibit. These pictures, depicting the fourteen stations, were on view to the student body during Lent.

Hampton Greg Turner presents a striking figure as his models for the Senior Art Class which is studying the fundamentals of portrait sketching.

Junior Retreatants meet Fr. Chas. Lee near the office and thank him for his inspirational conferences given during the three day Junior-Senior Retreat.

M. C. Norm Novak is interrupted in his introductions by Dave Ulrich, Gary Verstraete, and Smiley who are evidently planning an early start for the game.

Head Coach Bill Gathron, a favorite rally speaker addresses the assembly. Tom Hatley and Jack Oregan present a contrast in their reactions to the excitement.

Our principal Fr. Louis Weisser imparts final benediction and encouragement to the team with his best wishes for a safe and successful football game.

**Joe Ihano** assumes the role of soapbox orator as he outlines the qualifications and virtues of his favorite candidate during the Senior Class Officers Campaign.

Before and after school, campaign managers and assistants of respective candidates sought for wall space to display their posters. Tom Smith seems to have switched parties.

On Dec. 7 in the auditorium Fr. Louis Werner offered a Solemn High Mass of Thanksgiving for 25 years as a Religious in the Society of Mary.

His Excellency Bishop Kelly addressed Fr. Joseph McCloskey regarding issues of poverty, charity, children, and devotion to Mary during the Jubilee Mass.

Fr. McCloskey was the main speaker at the Jubilee Mass. Extracts from the printed homily by the future were key notes of the talk.

The first major breakthrough of Sept. 11 was probably New York's decision to ban the use of steel in construction. Some people think it was a good idea.

As we continue to pursue our mission of advancing the field of SLS, we are grateful for the support and encouragement of our partners and stakeholders. We look forward to continuing our work and making a positive impact on the world.

It is also important to note that the results of the study were not statistically significant.

# Spring Gardens Lend Background To Junior Prom

Bruce Jendrich (surprised), Tony Vacarrello (just wondering), Larry Carver (the Bashful type), and "Ace" Germano (Pest!) appear to relish the dish they have in hand

As G. Kenehan and his date come to exchange a few words with Don Shulga, F. Kellner and company, they were rudely interrupted with "Hold please."

"No kidding. It is a fountain—not the best of its kind, but . . ." J. Mramor, C. Ballish, G. Kenehan, and partners are quite fascinated by its potentialities

John Forer, Mike Libalik, Charles Acker, Dave Calahan, prefer to sit this one out together with their dates

"Three Corns in the Fountain" was one of the attractions for the dancers the night of the Junior Prom. Ask D. Conkey, J. Karperski, J. Valentine, K. Shulga, J. Wickman, I. Glew

R. Miklavic, J. Lucha, J. Qualey, J. Collins, J. Melsteren and girls all look their prettiest as E. Dunlap finds something more interesting. "Oh Eddie, you're not in school now."

If anyone wants to know how the Junior Prom was this year, just look at this jovial group—R. Zak, J. Kovitch, C. Ballish and J. Mramor.

J. Torer tries to convince T. Pausch: "The tests weren't easy!" What a subject to discuss at a Prom! D. Callahan and W. Selby stand by for a bit of pleasure.

Dancing and music all evening, still Mike Catalrese, Neil Trefzger and Glen Wiegand have time enough to pause for a quick shot—i.e., picture.

Sophomore Kolar does the honors of serving good ole punch to the thirsty promenaders. "The line forms at the right, folks." "Ladies before gentlemen, please."

Tired feet but happy hearts—a memorable evening enjoyed by all. Look at those Pepsodent smiles. B. Legan, "Spike" Lemphu and D. Sheehan, E. Whalen and "Rudolph" Englehardt are the reserved type.

# Fairmont Visits

## Diocesan Vocational Exhibit

During the spring the Fairmont High School Band of Dayton entertained the student body.

In mid-April, St. Joseph was host to the Diocesan Vocational Exhibit. All religious orders having an active apostolate in the Cleveland diocese, were represented.

His Excellency Archbishop Edward F. Hoban, and Msgr. M. Murphy, the director of the Diocesan vocation organization pause to say a few words to Fr. Wiesner.

The Vocational program was opened with a short description of the works and life of the represented orders by the Very Rev. Msgr. Francis J. Fergus.

While many others wander by on their way to other booths, one Sister stops at the Marianist booth to talk to Father Harrington.

Fairmont's genial band conductor was applauded for his conducting and rightly varied repertoire. Apparently he seems to enjoy his band's work.

The Rockettes from Fairmont were also present. As can be imagined from this photograph, they received a typically warm and enthusiastic welcome from St. Joseph students.

At the Marianist exhibit Bro. Kenneth Sommers, Fr. John Harrington, Bro. Joseph McDonald, and Bro. Wm. Hebring answer questions concerning their order.

A panoramic scene showing the various displays and the jammed throng both of religious and lay people who came to view the accumulated exhibits.

As one wandered throughout the auditorium he was confronted by many beautiful and original exhibits.

Archbishop Hoban assisted by Father Fleming and Father McMenagle closed the successful vocation day exhibition with Benediction of the Blessed Sacrament.

After practicing and drilling for many months, the Viking band and choir presented a concert at the end of the school year. The band showed great promise, and, with the addition of uniforms in the coming year, it will be seen more frequently both on the football field and on the stage.

## Sophomores

With the excellent backing of the homeroom teachers this year's Sophomores have helped put St. Joe's right up with the other schools of Greater Cleveland in many diocesan activities.

One way of getting up with the other schools was by the excellent speaking on the part of our B debating team. This team, consisting entirely of Sophomores, brought several trophies and many honors to the school.

A class project that helped in lifting the spirit of the school was the "1954-55 All Sports Almanac", which was put out by 2-D. 2-D was also responsible for the publishing of the programs for football and basketball games. In the Catholic Universe Bulletin Drive 2-D again came in first with Bob Jansen coming in with some 40 subscriptions. Bob was the most senior in the school. Many Sophomore students also work for the "Norseman", our school newspaper. The Sophomores also formed the Biology Club, to promote study in Biology and other sciences.

We know that next year when we start Jesters we'll have as much enthusiasm as we had this year.

Appearing with the band choir concert, Bro. Howard Hughes' songsters provided the vocal entertainment. Presenting richly varied choral selections, the choir demonstrated its aptitude for singing contrasted numbers. Most members of the audience were well pleased with their performance, but Bob Elliott seems to find the music agonizing.

# Honor Society Features Talent Underclass Retreatants

In the second year of its existence the Albertus Magnus Science Honor Society, a city-wide science promotion organization, had a St. Joseph student as its President. This year Sophomore Jerry Brasier of SJ heads the group. Here he is seen describing his display of Ming trees at the Science Exhibit.

Following the Junior Retreat during Holy Week, the Freshman-Sophomore Retreat was held. Fr. Wiesner, assisted by Fr. Carlen and Fr. Harrington opened it with Benediction.

Fr. Thomas Stanley, the visiting Retreatmaster for the Freshman-Sophomore Retreat asks a rather amusing question of somewhat confused Ken Klouf of 1-B.

The intricate and weird-looking apparatus could well be one of the occult experiments of an alchemist. Actually it is one of the Science Society exhibits.

"Flash" Comella and "Sparky" Gustine handle the Radio Club's exhibit. "Hams" all, the Radio Club members have made great strides in the past year.

In his temporary office Fr. Thomas Stanley answers a question of one of his retreatants. Friendly, private discussions were a feature of the Freshman-Sophomore retreat.

## Freshmen

Newcomers will be surprised to find that the freshmen have become well known figures in all departments.

We can start to accomplishments by taking an imaginary walk through our school. Let's begin at the new entrance (the main corridor is the scholastic hallway). On the left is the well-known, world-listed Turning right, we shall walk down the main hallway of the school, past the offices of freshmen

A student association, the company of whom are freshmen

Certainly, we cannot help but mention the fine freshmen basketball, football, and track teams.

The school band has been greatly enriched by the freshmen members.

Freshmen have shown their enthusiasm for the school through the Service Club, Radio Club, Sodality and the various dramatic groups.

After a short time, he spent the rest of the day with his father as they planned the next day's trip to Bokito. Major still had time to go.

Other students freshmen have added to the school's history now it is  
seen that they will help further its success. Students like Sam

# Fledgling Band Presents Concert Diocesan High School Choral Performance

As the drummers hold a hurried conference in the back row, the band plays on! "The cymbals clang, the drums go bang, the horns? They blaze away."

Bro. Howard Hughes' masterful guiding hand directs the voices of the Club in a round of the Negro Spiritual "The Old Ark's a Movin'."

One of the innocent looking songsters, seems to have zigged when he should have zagged. It is apparent that none of these boys are camera shy.

Bishop Begin, Msgr. Saunders, Bishop Krol, Fr. Whalen, Archbishop Hoban, Msgr. Elwell, and Fr. Wiesner were among the huge crowd in attendance enjoying the Diocesan Choral Festival.

The finale number, "Give Me Your Tired, Your Poor," was heavily applauded and an encore was given, thus bringing the enjoyable program to a conclusion.

"Blowing up a storm" on the Clarinets with assistance from the Sax and Tuba sections, five members of the band concentrate on the arpeggios and crescendos.

As director of the band, Mr. Anthony Pace has done a noteworthy job. The band made up principally of Freshmen, has gone beyond the expectations of all.

The success of the Diocesan Choral Festival was largely due to the expert conducting of Dr. Harry Seitz who made the chanteurs feel at ease.

Looking at the bass section of the Boys Diocesan Choir during the singing of four part harmony of the beautiful, "O Bone Jesu."

Girls from ten high schools added zest and colorful vitality to the Diocesan Choral Festival held at St. Joe's on the feast of the Annunciation, March 25th.

## Verbal Duelists

Chuck Wolfram and Fred Kramer compose the negative side of the "A" Debate team. With their partners they compiled an enviable record this year.

Proposing the affirmative aspect of the debate proposition were Jim Lardie and Greg Horter. Disregarding the fact that they were newcomers, these boys spoke like seasoned orators.

# Sharpen Foils To Establish Reputation

With each writing of an annual report of the school's activities, the position and record of the Debate Club becomes more prominent. Although it is only three years old, the Debate Club has won an enviable position in the opinion of other debaters. Yes, after years of hard struggling, the Club is finally beginning to fulfill its primary purpose—The development in qualified youth of the ability to express one's opinions and what one knows to be true, and the ability to refute an antagonist. These qualities are indispensable in a Catholic gentleman and especially in a Catholic who can influence the thoughts and destinies of others. Up to the beginning of this year the Club had been accorded a rather meager acceptance and patronage. However, with the commencement of this year's debates an instantaneous and warm interest was evinced by the student body.

Perhaps the most sought-after and joyfully accepted victory was the taking of first place in a tournament at St. Joseph during January. At this tournament the Vikings lost one and won 11 debates including one over Louisville, the number one team in the state.

The "A" debate team, composed of Greg Horts, Jim Lardie, Fred Kramer, and Charles Wolfram, finished the year with a 55-7 record. The "B" team, composed of Jerry Hrastar, John Calandra, Neil Ruic, and Charles Boer, finished with a 39-9 record. The individual speakers and auxiliary debaters—Ron Uritus, Don Shelley, Jerry Herbison, Fred Woeste, Dick Janus, and John Droske—backed up the team and gave it that indispensable reserve punch.

The Viking "B" debate team, made up of sophomores John Calandra, Charlie Boer, Neil Ruic, and Jerry Hrastar, shows great promise for the next two years.

The "minutemen" of the Debate team were the individual speakers and auxiliary debaters Gerry Herbison, John Droske, Don Shelly, Fred Woeste, Tom Kane, and Ron Uritus.

A symbol of the expansion and development of St. Joseph High School is the newly organized school newspaper, THE NORSEMAN. Well past the organizational stage, the popular publication is rapidly expanding and looks forward to a long and successful service as the official voice of the student body.

All the reporting, writing, copyreading, editing, and business transactions are performed by THE NORSEMAN student-editors and their staffs comprising approximately twenty-five students from the Senior, Junior, Sophomore, and Freshman divisions.

But, THE NORSEMAN of the present and the planned-for future is far removed from its lowly beginnings. Shortly after the Christmas vacation this past school year, three resourceful and enterprising Juniors sought permission from Father Wiesner to publish a small mimeographed newspaper in the Junior Division. granted, the trio, at Father Wiesner's advice, contacted a moderator to assist them in their undertaking and plans were laid for the first issue of THE NORSEMAN.

Two weeks later the first issue of THE NORSEMAN "hit the corridors."

The first issue appeared on Friday morning, January 28th—a two page newspaper.

One of the most outstanding features of THE NORSEMAN is that it appeared EVERY Friday without fail.

Now that it is fully established, the future is bright for the newspaper. And with the continued co-operation and good will of the Administration, faculty, and student body, THE NORSEMAN cannot fail to be a source of information and enjoyment for the student body.

About this time, a competitor, the BEACHCOMBER, a Sophomore publication appeared in the school.

Many times during a school year there are calls for volunteers. Or perhaps there is a scramble for workers within a club sponsoring a school activity. The inefficiency of the volunteer or scramble methods is obvious. There are seldom enough generous souls, with the free time and necessary skills, to fulfill the necessary tasks. Why not have an organization to supply this help? It is for just this reason that a Service Club exists. Its members take upon themselves all responsibility for obtaining sufficient help whenever it is needed.

The duties of the Service Club are quite extensive. They may be found serving a dinner or breakfast in the cafeteria, or perhaps selling and taking tickets at a dance or sports event or selling refreshments. Once a year they prepare the auditorium for the Annual Fall Festival. Then too, they set chairs up whenever the occasion calls for them. They also take them down. When there is an event using the stage they act as stage crew and ushers. Life, however, is not all work and no play

for them. In addition to sweeping floors an occasional chance to play does arise. During the slack periods, in between serving the choir members their lunch and dinner, the service members were privileged to play chess with the scholars of Our Lady of the Elms in Akron.

This year the Service Club has received a mark of distinction. It came in the form of blue and red jackets. These jackets are to be worn at all the activities the Service Club works at. They also cut down the number of broom leaners. It is easy to see whether a jacket is moving or not.

The leadership of the club, this year, was under four active officers. The president was Gerald Herbison. Robert Urbanski acted as his right hand man and vice-president. The records and all lists of volunteers were recorded by the Secretary, George Grosse. Collecting and keeping track of money for the jackets was the job of Edward Bedford, the treasurer.

## Radio Club

"Soldering a relay receiver can be a big job, requiring one worker and eight supervisors." Freshmen as well as upper-classmen are represented in the Radio Club.

"No, this isn't a hand-warmer!" Radio Club members prepare to receive a shock from a 1,000 watt transmitter.

The ability to take code with rapidity and with precision is one of the requirements for a novice "Ham" license.

Because of the greater number of students and the highly increased demands of the teachers, who realize the urgent necessity for visual and auditory instruction, the school found it necessary this year to increase the equipment and members of the Audio Visual Club.

This club which numbered 13 members last year, has in

The Saint Joseph Radio Club under the guidance of Brother Michael Stimac has a threefold objective: to make its members men of radio, men of their school and men of God. There are now 24 members including 15 novice licencees and 9 members with general class licenses. This is a big increase over the two novices and 5 generals at the beginning of the year.

## The 1955 Viking

The typing staff, composed of Art Knaus, Phil Zgore, and Bob Edeleman, had the tremendous task of revising and typing all the annual copy.

Within these pages is contained the material, which composes the 1955 edition of the Viking, the yearbook of Saint Joseph High School. It is clearly evident from its appearance and contents that this, the second edition is worthy of its predecessor.

The purpose of any yearbook is to record faithfully the history and philosophy of a school. One may be certain that the editors, writers, advisers and all others connected with the Viking have done their utmost to make this an embodiment of fidelity to Christian truth and beauty and goodness. They feel that in the future years this yearbook will afford much pleasure during many hours as graduates browse with happy remembrances through its pages.

One of the longest jobs for staff writer Fred Kramer and Editor Chuck Wolfram was composing captions for over 500 photographs.

Books are an earnest scholar's best friend. In order to make reading matter more readily available to students, the St. Joe epiphany Library enlisted the aid of several specially-trained student librarians. The never-ending job of lending and obtaining books was smoothly handled by these volunteers. Shown above are: Ray Centa, Ron Boyansky, John Rock, and Frank Jasko.

## Library Staff

The Library Staff under Brother John Drerup has the job of keeping the library in order. They prepare books for circulation, check them out when they are borrowed, return them to the shelves, repair them and do many odd jobs necessary to keep the library running smoothly.

This year the boys were "buying" library books with their work. They were credited with ten cents toward any book they wanted for the library. For each quarter-hour they worked, they could then put a marker in the front stating that they had donated the book to the library. The staff this year consisted of eight freshmen who worked all year and one junior who repaired books when he could.

Mike Reame performs preliminary surgery on a book patient. Bookbinding is one of the skills acquired by the student librarians.

Joe Kess, Neil Kirchner, James Dixon, and Jerry Dearden stand ready at the book checking desk in anticipation of a morning rush on the library.

## Our Singing Homeroom

The "boys" take five and proceed to sing a few "pop" songs. Right now it's a chorus of "Down by the Riverside."

Joe Wensco, tenor soloist in St. Joe's Glee Club, and Gerry LaRiche play a piano duet. Both are accomplished pianists.

The choral group had a rough climb to its present place with many reverses, but thanks to their generosity and spirited cooperation these pioneers have made it possible for an easier climb in the years to come. It started back in 1952 when a call was made for volunteers to sing the Dedication Mass of the school. Twenty boys sang with the Brothers for that memorable May 30, 1952.

In January of 1953, a group of fifteen was again organized to sing the High Mass for the Chaminade Day celebration. This same group sang the High Masses during the Holy Week Retreat.

For a third time volunteers came forward to sing for Chaminade Day in 1954. This time the group numbered twenty-eight. The occasion was actually the birth of the glee club, for the boys agreed to meet regularly throughout the remainder of the year. Time was devoted almost exclusively to sacred music because of the frequent liturgical celebrations.

With the beginning of the new school year 1954-1955, Bro. Howard Hughes made a quiet little campaign to recruit members which resulted in a group of forty

nine. On February 4, 1955 the boys sang a selection of music ranging from Gregorian chant to four-part rounds for a Catholic High School Choral Sing. Encouraged by the comments of the adjudicator on this occasion and the enjoyment of participating in such a happy gathering the boys renewed their plea to form a homeroom of their own - that more time might be devoted to singing.

For the new homeroom at mid-year was a rather precarious venture owing the disturbing of the order of seniority. One class lost its entire staff of officers who were among the forty-five glee club members - thus sacrificing their ties with former home room mates to credit.

The boys painstakingly prepared for the grand concert held at St. Joe's auditorium in which twelve hundred boys and girls participated. Dr. Harry Seitz was guest conductor.

On May 20th the glee club rocked the house in their first big concert for the students with the much-liked negro spiritual "Rock-a Ma Soul" and several other numbers.

## Science Honor Society

In the past year of our Science Honor Society Dave Ludwick was president of the Cleveland Chapter of the Science Honor Society and he proved himself an able leader. Then there was Gerald Hrastar, sophomore, who was newly elected and is the second boy from St. Joseph's to hold the office of president at the Cleveland Chapter. And also there is Gerald Herbison who entered his Reaction Dynamometer in the Higbee Science Fair and easily took fifth place. Jerry also has acted as president of our school club, The Chemistry Club, (moderator Brother Koller), Physics Club (moderator Brother Shelly) augmented by the Biology and Radio Clubs, made up our school's Science Honor Society. The club has proved this plan a very effective move for on May 11 they had a science show for number schools in the society. The program included a variety of projects such as Moulting Trees, Baristics, Reaction Dynamometer, Film Broadcasting, Electro plating, Calcium Sulfate Crystals, a Homemade Geyser, and various other chemical experiments. April 9th, Brother Janzen invited the boys who had put on the liquid air experiment last year at our school science show to review their experiments on Television. Martin Golob, Donald Shelly, David Ludwick, Robert Cummins, Norman Grosse, and Gerald Herbison represented our school at this program.

The Servers who were given the privilege of serving at the altar of God were picked from the student body. However an effort was made to pick senior students for this great honor. During the season of a major sport such as football or basketball, the athletes participating in that sport were also permitted to serve.

These servers took part in many religious functions such as the daily Mass, benedictions, sodality services throughout the year and other special functions. A few of these special functions were the Masses and benedictions during the retreat Fr. Wiesner's 25th anniversary Mass, and the religious ceremonies during the 2nd Diocesan Vocational Exhibition.

Special recognition should be given to the head sacristan James Kostanek, a junior and his assistant Don Milavec also a junior, for doing noteworthy work in the sacristy and on the Altar. Also Brother Richard Dureen and Brother James Abel should be commended for their fine job in assisting the priests and servers during ceremonies through their unheralded sacristy work.

## Chapel Servers

This group started its practices, under the guidance of Bro Abel S.M., during the last weeks of August. The six boys composing the team had daily practices in which they did tumbling exercises. During the basketball season, however, practice was held three times a week.

It was these tumbling routines which caught the eye of the crowd and left them wondering. Not only did the spectators see a good football or basketball game, but also the six cheerleaders and their "stuff".

With the crowd cheering under the leadership of these boys, the team was given the needed "fight" to turn defeat into victory. The student body backed the team as well at the Euclid Senior High Tournament on February

24, that the cheerleaders were ranked sixth out of a possible eighteen teams representing Greater Cleveland. Last year, the group placed twelfth out of seventeen.

Not only did the cheerleaders go to all the football and basketball games at home, but traveled with the football team to such places as Alliance where through steady rain they cheered the players on. They gave their support to the basketball team at Fairport, Elyria, and Akron. Home and away, the crowd saw these six cheerleaders not only urging the varsity, but also the junior varsity on to win. Bro. James Abel was the faculty moderator for this group.

## The Band

Much credit must be given to Mr. Anthony Pace along with Brother Verner and Brother Stupka for the great progress made by the band this year. Approximately eighty-four boys joined the band in the beginning of the year. Only twenty-three of these knew how to play band instruments. Thus we had a large beginners band.

We played at only two football games with a handful of boys. We had no uniforms and did not march. What these games netted us was some experience and the knowledge that we had a lot of work ahead of us.

From then on not much was heard of the band but every morning they practiced diligently. The beginners band grew smaller and smaller till at the end all were absorbed into the senior band.

The latter part of the year was used to prepare for a concert that was given for the school on May 23. This went the year of 1954 and 1955—a year of beginnings for the band yet not without solid achievement.

Mr. Anthony Pace leads a section of the band through a rousing march selection. Next fall these same boys will be seen in full dress on the Viking Football field.

Percussionists, Bob Aleckna, Jack Ficewicz, Dick Janus, Jack Cook, Chuck Domonkos, and Sebastian Russo, concentrate on the fine points of Rhythm. These boys are the "Big noise" in the Viking band.

# Sodality

## Senior

Under the motto "To Jesus through Mary" the senior members of the Sodality of the Immaculate Conception have worked during the year for the spiritual betterment of themselves and their fellow students. Many activities have served as instruments toward this goal under the guidance of Fr. Carlen, director and moderators, Fr. Reichert and Fr. Harrington, and with the help of the Sodality officers, James Lardie, prefect, Ronald Uritis, Secretary, and John Hrastar, Treasurer.

Among the more important projects were: a study week at Camp Rosary, Pennsylvania; the Sodality Convention in Dayton; the first career night of the school; a retreat at the Trappist monastery in Kentucky, two successful school dances, a public reception of sodalists before the student body, and promotion of the Marian Year.

## Junior

The Junior Sodality consists of ten members, most of whom received their gold pins making them Sodalists. "My Ideal" was the book used by the group this year. It showed to the members what the sodality is and why Mary was chosen by God to be His mother.

This sodality-division is not only a religious, but also a social organization. It has sponsored the Second-Annual Junior Prom; during the Lenten season, the daily devotions in the chapel consisting of the Stations of the Cross and Benediction of the Blessed Sacrament was upheld by this division; they constructed a May Altar to the Blessed Virgin in the cafeteria in order that Mary, during the month of May, would receive honor and recognition from her clients at this school.

## Sophomore

The Sophomore Sodality this year is composed of 12 boys in two different groups. These two groups were moderated by Brother Aaron and Brother Nell.

Throughout the past year the Sophomore Sodalists went after several goals, one of these goals were to secure new members for their groups. They were very successful in getting new members. In January, the Sophomore Sodality was responsible for the distribution of the holy pictures and prayers for the beatification of Father Chaminade.

The boys in their weekly meetings throughout the year have been taking through the book "My Ideal" which takes through the Ideal of the Sodality in general. Next year they will take through the "Filial Piety" of the Blessed Virgin, which is Christ's love for His Mother.

## Freshman

It took only a short time before the freshmen became accustomed to the manner of procedure at a Sodality meeting. Each Monday afternoon four different freshman Sodality groups gather with their moderators for the weekly meeting.

Although the freshman Sodality had no large project during this year, they gladly gave full aid to the other Sodality divisions in their activities. These freshmen stimulated the Marianist drive, promoted Lenten services in the chapel, and supported the projects within their group. By their example they were able to lead others to join the Sodality later in the year.

After learning the principles of the Sodality, faithfully attending the weekly meetings, and partaking in discussions, the freshmen were officially admitted into the Sodality on May 16, 1955.

## Mothers' Guild

One of the strongest moral supports in the school, the Mothers' Guild swung into action early in the school year with a program of spiritual, social and fundraising activities. Each monthly meeting on the third Monday was enlivened by a feature provided by the Program Chairman and her committee, such as outside speakers and programs on topics as best book reviews, timely devotions in the months of October, March and May. The social highlight of the year was the annual Card Party, attended by all the pot-luck supper.

Fund-raising activities included the Mothers' Guild participation in the annual Fall Festival in November, the well-attended Card Party on February 11th, despite a major blizzard of snow and ice, and the Spring Concert on May 15th. Funds received from the March Card Party was used largely to build up the treasury, while the money given over to the purchase of natty uniforms for the Band.

Some members of the Fathers' Club and the Mothers' Guild survey the many gifts and prizes to be given away during the annual bazaar in the school auditorium.

Some time during the evening everybody stops to sample the excellent cuisine prepared and served by the mothers at their refreshment booths. Most were wise enough to come back two or three times.

## Dad's Club

In emulation of the noble work performed since its foundation the St. Joseph High School Dad's Club this year again manifested the enthusiasm which proved integral in the progress of the school. The Dads are on the alert for the immediate needs of the school. Given the incentive by the school authorities the response and cooperation at the ANNUAL FALL FESTIVAL, was the admiration of the entire community. In the successful achievement of this undertaking the group succeeded in elevating the condition of their sons' Alma Mater. Under the leadership of capable conscientious and intelligent officers, the future of the club becomes more identified with the ideals set by the founders of the club. These ideals and the spirit of well-hearted cooperation by more Dads will make for a larger and more successful club.

## Varsity Football

As St. Joseph opened its 1961 season against East High, the Vikings set themselves up for one of the toughest schedules in the Northeastern sections of Ohio. The team lost 14-12 with Bob Mast and Kevin Hanratty scoring while Jack Cregan made the News Dream Team for his outstanding playing.

The next week the Vikings defeated St. Stanislaus 25-6 on touchdowns by Mike Flynn, a pass to Pete Ganzola and a blocked punt by Tom Hafley which Billy Hays converted for the touchdown.

St. Joe's traveled to Akron and edged St. Mary's 18-16 on a kickoff return by Bob Mast and a touchdown by Mike Flynn and a pass from Kevin Hanratty to Bob Hays.

Next the Vikings trounced University 26-0. Tom Rihar opened the scoring with a five yard sweep and Bob Mast, Ralph Godic and Mike Flynn followed.

St. Joe's faced Avon who was ranked first in the State. After trailing 7-0 at the end of the first half, the Vikings played a marvelous defensive second half. The defensive line was led by Bob Tagliaferri, Steve Bost, Gene Mocnikar and Larry McGinniss.

St. Joe's bowed to Collinwood in the last fifteen seconds. Bob Mast scored on an opening play, repeated in the second quarter while Mike Flynn closed the scoring with a short punt.

St. Edward's slashed their way through snow and mud to a victory after Tom Rihar turned the opening kickoff on a touch down.

St. Joe's went on to meet a rugged Cathedral Latin team by whom they were smothered 46-0.

The Vikings notched their fourth triumph as they spanked Fairport 20-7. The scoring began with a jaunt by Tom Rihar; Godic and Kevin Hanratty followed with touchdowns in the fourth quarter.

Canton Catholic squeezed by the Vikings 6-0 in the final minutes. Outstanding on defense were Chuck Morano, Don Vogel, and Douglas Saturnino along with John Hrastar and Dick Zimansky.

Head football coach Bill Gutbrod and varsity line coach Dan Ferrara take time out during a practice session to pose for a picture while the varsity goes through their paces in the background. These hard taskmasters last year built a rough and ready Viking football team.

Student football managers Ed Nadsady, Bob (Little One) Yesko, Dick Strathern, and Dan Raglow are seen with some of the equipment over which they have charge.

Reserve football coach Don Faux tutors his fledglings. "Now boys, this thing is called a football." "Coach, coach, not so fast, will ya?" Football drill is a long, hard pull.

This year Coach Faix took over our Junior Varsity Squad. He was a good coach. We were up against teams from 160 to 170 pounds. However, our handicap in weight was overcome by our speed. Our speed was due to the fact that our players were not big and none and was a virtue of every player. Intestinal fortitude was part of every man also. We not only had speed in the back-field but our line was very fast too. Also each man always seemed to get the man he was after.

The first team we opposed was John Hay. They were tough but our spirit and will to win made them no match for us.

We faced East Tech next. They were larger than John Hay and proved to be very tough. Our Coach's only words were "Hit them with everything you have, boys, and come off the field with a victory." That is just what we did.

Next came the old rival, St. Edward's. This was really a rough game. Coming into the closing minutes of the last quarter, the game was scoreless. Then we began to move. We brought the ball all the way down to their five yard line. Then something happened and we were down on our own thirty. On the next play they went over with seventeen seconds left.

The best effort that the St. Joseph Freshman Football team could give was a narrow victory over the Holy Name Frosh in the opening game. Our coach was Mr. Hank Ruszkowski, the former Freshman Football coach. Unfortunately, Mr. Ruszkowski became gravely ill days after the game and it was evident that a replacement was needed. Mr. Colabuno, our assistant coach, was asked to take over the team. Coach Colabuno did a very good job of coaching the team even though he had had such short notice.

The Freshman Vikings were big for a first year team. They boasted of the players being 160 pounds or more. Due to the lack of experience and some confusion due to the switching of coaches, the Freshmen fought their way to one win, one tie, and four losses. This record is not indicative of the effort the Frosh expended and which they will expect to improve in later years.

Holding on to a forward pass is Bob Haas. Moments later two big Latin Lions split him.

Bobby Mast gallops around his own right end for a big six points against Airport Harbor. Nice Block.

In the senior division of the school's intramural basketball season, 4-B emerged as the champs with a record of six victories against a single loss. Their sole defeat, a thorough trouncing, was given them by 4-A. Led by co-captains Gundelach and Slowey, the 1-B 1-s entered the school play-offs where they successfully defended their title against the Freshmen. However against the Sophomores and Juniors the margin of victory was so slight that one would hardly claim a decisive victory.

Finishing with a fine record of eight victories and no defeats, these basketeers of 3-G emerged as undisputed champs. This rugged little team was captained by sparkplug Larry Templin. He was ably assisted by driv-

bling Jim Dunlap and that fast breaking Joe Collins. Fate was against this squad in the playoff. Days before the key members were stricken with the virus and despite the best of medical care and tender nursing by their mothers these stalwarts could not be put on the floor to uphold their fighting prowess. With but four players 3-G met 4-B in the finals and with their usual spirit they sent the game into an overtime before they gave way to the superior senior team. Going into the second overtime 3-G lost its high scorer on fouls.

The foremost team among the Sophomores this year was 2-F. They ended the season with six wins and just

## Varsity Basketball

After a successful football season Coach William Gutbrod took over as mentor of the Saint Joseph Basketeteers. Through his leadership and his stress on shooting accuracy and fast break play the cagers enjoyed the best season in their history. It may be said that the record of 11 victories and 10 losses was not too successful but considering the age of the school and the lack of experience on the part of the players much progress was made this season. In years to come much improvement will be made on this record.

Because of the players' interest in making an impressive showing for their school they all worked earnestly to produce team work. A fine harmony existed between the members on the squad and no need of individual stars was necessary. Each player made his own special contribution to the team.

Scoring threats ... Norm Novak and Howie Cowan held down center position. Sharpshooters ... Tom Lowery and Rudy Skerl worked from the forward spots. All ball handlers ... Gene Mocilnikar, Jim Thailing, and Chuck Morano worked the guard positions. Versatile replacements ... Karl Fitzgerald and Len Serbak added reserve strength, as did ... Harry Britton, Bob Kirkpatrick and Jim McBride.

The Viking fans were especially thrilled with three outstanding games this past season. The first of these was a heart breaker. After losing by 10 points going into the last quarter of the St. Ed's game the Vikings made a tremendous rally to catch the Eagles only to bow to them in a sudden death overtime. The second of these games compensates for the loss to St. Ed's when the Vikings came through with a upset by defeating Thomas Edison the last remaining district unbeaten team to fall. The third of these games was the outstanding performance the cagers showed against Shaw High School in the Euclid Tournament.

This was a very successful season for the Junior Varsity as they won State 7 James and lost only four—a great improvement over last year's record of eleven wins and eleven losses. The coach, Dan Ferrazza, maintained the team's spirit which stayed alive throughout the entire season. His policy was that games are not won on skill alone but on desire also.

The team started out very fast by winning twelve straight games. Included among these victories were a 41-30 victory over Saint Edward's and 44-21 victory over Saint Vincent's, both very formidable opponents. Saint Edward's was undefeated. The team also stopped Elyria Catholic at a twenty game winning streak, 35-33. Our first loss to Saint Mary's was a heart-breaker because the team had high hopes for an undefeated season. Of the four losses two were very close. By far the most discouraging loss was the one to Elyria Catholic. In the last two seconds with the score tied, Eddie Anderson heaved the ball into the basket from half-court.

The high scorers were Mike Doria with 211 points, Ken Boyle with 205, and Rich Holzheiner with 196.

## Freshman Basketball

With little pre-season practice and a limited use of the gym after the season had started our Freshman team got off to a rough start.

The team really began to click around mid-season.

Previously, Patrick Henry had beaten them decisively on the former's floor. When they came to St. Joseph, it was a different story.

The highlight of the season was the defeat of St. Edward's. St. Joseph's won. On the opponent's floor, St. Edward's beat St. Joseph with their second stringers. At St. Joseph's there was an exciting game. At the end of the first three quarters the score was very close. In the last quarter the score was still very close, but St. Joseph pulled ahead and went on to win.

## Track

Under the direction of their new coach Mr. Don Faix the Varsity track team started the season with the intention of developing a strong squad for the future. Since this is only the second year St. Joe's has had a track team, it is still in the building stages, but rounding out quite well. The team consisting of several juniors and sophomores and a few seniors has practiced since the middle of February, 1955.

Brother Joe Choquette has made known his intentions to help build track into the third "major" sport at St. Joseph High School. Brother worked all summer getting the track into condition so that the track squad could have one of the better tracks in the city to compete on.

The Vikings opened their season with a meet against Collinwood and one with Holy Name and lost both. After the two defeats the squad was after a victory. They made a good showing against Glenville but just couldn't win. Then it happened the cinder path athletes won 7 in a row defeating St. Ignatius, Akron St. Vincent's, Gilmour, Holy Name, Akron Coventry, Brush and St. Edwards.

Credit must be given to the (fast) mile relay team for its excellent performances in the District Meet and at the dual meets. The winning relay team consisted of Stan Haransky, Gerald McGovern, Larry Templin, and George Kudokas.

Stan Haransky, a senior was the spark of the track team by consistently winning the half-mile and quarter-mile and anchoring the winning mile relay team.

District Meet—Finished 3rd with a team total of 330.

The Vikings Varsity started the "55" season with high spirits and plenty of material under the coaching of Dan Ferrazza. Three lettermen, Joe Denk, Jim Stills, and Gary Vorndran, all Seniors, were back again filling the first 3 spots with averages below 80.

The first three, Denk, Stills and Vorndran had been waiting for the season to begin ever since school began. During the summer Joe Denk became Cleveland's District Caddie Champion and played at Columbus, Ohio in the National Jaycee's Tournament. Jim Stills and Gary Vorndran became the only two Northern Ohio boys to Qualify for the U.S.G.A. They both played the National United States Golf Association Tournament at Los Angeles Calif. Vorndran also took first in the Lake County Jaycee's Tournament.

In the beginning of the season about 25 boys tried out for the team. A total of 10 boys remained on the team after the eliminations. One of the boys who made the team was Wayne Burge, the only Freshman on the Varsity. Wayne wound up the season with a 83 average. The other alternates on the Varsity were Jim Maruna, Dan Pallat and Dave Adams who filled in at fourth position.

The Vikings were aiming for a perfect season with no losses, first place in the league, first in the District and first in the Cleveland News Tournament. The Vikings took first in the Cleveland News Tournament. The Vikings took first in the Metropolitan league with a 18-0 record. They also took third in the District for the State qualifier and wound up the season with a fine record.

## “B” Team

Something new and different was initiated at St. Joe's this year; that it was due to Coach Dan Ferrazza's foresight and concern for the team. Coach Dan Ferrazza decided to have two teams. The purpose of the “B” team was to play independent matches and gain experience for later years.

When called upon, the classy foursome performed in fine style chalking up an average record of four wins and loss and one tie, the only loss being to Shaker Heights who placed second in the district. Next year they are anticipating an even better season.

## Bowling-City Champs

For the past three years St. Joseph has entered a bowling team in the News Interscholastic Bowling League. This League is comprised of eighteen of the major high schools in Cleveland. No St. Joe's team has been more successful than this year's squad.

From the first week to the end of the season they remained in first place.

Acknowledgement should also go to the individuals themselves. The team's background was "short" Senior Tom Smith, Captain, and Junior Tom Immarino; both had three years' experience. Next came Senior Jerry Bayer, Senior Jim Urbancic and Junior Phil Riccardi with his first year, and Joe Collins with two years. Tom, the Captain of this year's Championship team, held an average of 152. This hot series led the team to the Championship crown.

Jerry was a big factor in the success of the wins with his high average of 187. He also led the League in that department.

Jim was the season's high man on the Viking squad with an average of 172. He took a season in Individual High Game of the League with a 247 game.

Phil with his steady "500" series led the team in Championship form to the City Title.

Joe with his "Lefty Bowling" had some high scores which kept him among the Leaders.

Tom with his frequent series over his average kept the Viking five riding high in first place.

# Intramural Bowling Champs

Intramural Bowling was inaugurated and organized at St. Joe's by Brother Gilbert Gensler who also directed this year's league.

The League, playing on Monday and Tuesday, was comprised of sixty-six students: thirty in the Monday League and thirty-six in the Tuesday League.

The Champions in the Monday League were E. Dwyer, K. George, and C. Jansen. They held on to the first place spot for sixteen out of eighteen weeks. In competition Dwyer led his team with a one-hundred thirty-seven average. George and Jansen kept their team rolling along in last place with their best games. Their team spirit was a big factor to the success of their victory.

The Tuesday League Champs was a four-man team

made up of J. J. Kuk, M. Ciolli, R. Ulstad and L. Liszeski. Their competition spirit was also a big factor toward their victory.

The great success of the League was due to the tremendous spirit on all the teams.

Euclid Lanes furnished bowling shoes and balls free of charge to all the students bowling in the St. Joe's intramural league.

At the conclusion of the regular season a roll-off match of three games on a handicap basis was arranged for the winning team of each league. The Monday League beat the Tuesday League by a margin of 2/7 of a point.

Appreciation and gratitude goes to Bro. Gensler who did a fine job supervising the leagues.

No, that is not Jim Brady's "Diamond Horseshoe," but St. Joseph's Fall Festival. Full house each night Oct. 18th to 20th.

"Ring the silver dollars and it's yours." This is one game enjoyed by the adult and youngster on equal basis.

"Ya can't win anything at St. Joe's?" Pessimist. Just look at these prizes: doll, pair of parakeets, ham and turkey.

"Just put your money on the lucky number and a cake is yours." Turning that wheel wears a person out.

The cashier anxiously looks at the number on the wheel and hopes to hear: "7 L... and nobody out!"

One of the few times that St. Joseph students welcome the chance to go to school, is whenever a dance is planned.

With tired feet and happy smiles the last of the rugcutters heads for home. Well, eventually they'll head for home.

The crowd has thinned out, and the dance is almost over. Everyone is on the floor for the last number.

When Mr. Willis asked for a few boys to help him make coffee, he didn't anticipate the Service Club's generosity.

Forward Bro. Genders socks the pumpkin over during an all-faculty volleyball game.

The maintenance crew lent a very helpful hand to the students in preparation for the prom. Here Thauer hangs stars.

Head Custodian Frank Lesak did the major part of erecting the decorations the six beautiful archways which beautified the Senior Prom.

The big reason that St. Joseph is widely known for its beautiful grounds is our head grounds keeper Frank Loncar.

Here is part of the capacity crowd. What's up front, a pari-mutuel window? No, just raffle ticket sellers doing business. Preparations for the Mother's Club card party began early. Here a group of "waitresses" is about to serve refreshments. Despite very inclement weather and a howling snowstorm, the card party was fully attended and a huge success.
